

KNOX RESIDENTIAL BOX[®]

PROTECT YOUR FAMILY AND HOME DURING EMERGENCIES

As more individuals within the senior community choose to live at home rather than move to retirement communities, gaining access during a medical emergency can be an issue for first responders, particularly if an individual has medical or mobility difficulties. While help is always just a call away, what happens when you can't come to the door? With a **Knox Residential Box**, first responders are able to remove the entrance key stored inside with the Knox Master Key, a high-security master key, and let themselves in to provide medical assistance.

BENEFITS

- ✓ Helps responders enter the home quickly
- ✓ Reduces forced entry property damage
- ✓ Makes re-securing property easier and faster
- ✓ One-time purchase that requires no monthly monitoring fee

FEATURES

Holds up to 2 keys

Surface and door hanger mounting options

Highest security when equipped with optional alarm tamper switch

Available in bronze, aluminum or black

Weather-resistant
