

KNOX ELEVATOR BOX®

**WHEN EVERY SECOND MATTERS,
GIVE EMERGENCY RESPONDERS ACCESS TO THE RIGHT KEYS.**

Unlike other elevator key boxes, the Knox Elevator Box offers a safe and secure solution that provides emergency responders immediate access to the correct, calibrated elevator drop key to enter an inoperative elevator and keys to unlock critical areas within the building. Having rapid access to the right keys reduces delays, maximizes safety for emergency responders, and helps avoid unnecessary damage from forced entry.

Available colors:

Red Aluminum Dark Bronze

BENEFITS

- ✓ Allows rapid access to the correct, calibrated elevator door drop key
- ✓ Prevents forced entry into locked doors within the interior of the building
- ✓ Minimizes emergency responder injuries

FEATURES

UL rigorous security testing.
Built Knox-Rugged

Knox Elevator Box Meets Many State's Elevator Key Box Requirements

Store the correct, calibrated elevator drop key, override keys, and interior access keys in the secure Knox Elevator Box.

← elevator door drop key

Knox Elevator Cabinet's heavy-duty steel construction design is far superior to a typical aluminum key box

EXPANSION PANEL

Built standard with 9 key hooks that may hold up to 2 elevator drop keys. The optional expansion panel increases capacity from 18 to 31 keys, optimizing security for structures of any size.

13 Key Hook Expansion Panel

COMPACT FIT

With a shallow depth, the Knox Elevator Box fits both compactly and discreetly within any wall, making it aesthetically pleasing for interior applications, yet maintaining seamless accessibility.
