## KNOX MEDVAULT APPLICATIONS

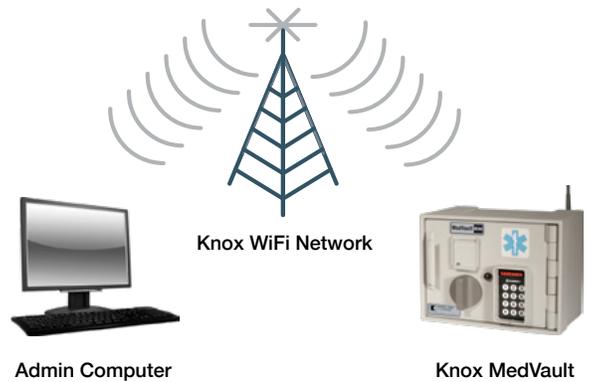

The Knox MedVault® Narcotics Vault is the solution many EMS providers are turning to. Significantly reduce the risk of medical drug theft by installing Knox MedVault in:

- ✓ Fire Apparatus
- ✓ EMS
- ✓ Primary onsite narcotics inventory storage center
- ✓ Ambulances
- ✓ Medical and Health Centers

## KNOX ADMINISTRATOR SOFTWARE

- ✓ Allows system administrator to view all activity events including a time and date stamp
- ✓ Multiple programming options allows a department to program their units for varying degrees of security to meet the unique needs of their department
- ✓ Audit trail stores up to 16,000 events
- ✓ Room for 1 to 5,000 unique PIN codes
- ✓ Connects to PC USB port to collect release history
- ✓ Optional WiFi conforms to the 802.11b/g standard

## ABOUT KNOX COMPANY

Over forty years ago, a unique concept in rapid access for emergency response was born. The KnoxBox®, a high-security key lock box, was designed to provide rapid access for emergency responders to reduce response times, minimize injuries, and protect property from forced entry.

Today, one revolutionary lock box has grown into a complete system providing rapid access for public safety agencies, industries, military, and property owners across the world. The Knox Company is trusted by over 14,000 fire departments, law enforcement agencies, and governmental entities.
