

KNOX MEDVAULT® KEY SHEET

All MedVault units in your department will have an emergency manual override key that is uniquely keyed for your EMS program and is separate from your department's KnoxBox® Rapid Access Program. One key is shipped per order. Additional keys are available when requested in writing on department letterhead. Please reference MedVault emergency manual override key in the request. **Please mail original to: Records, Knox Company, 1601 W. Deer Valley Rd., Phoenix, AZ 85027.**

Knox strongly recommends the MedVault emergency override key not be keyed the same as the KnoxBox Rapid Access Program for security purposes. Using the same key for both programs reduces the security of the narcotics stored within the MedVault unit. If your department would like to have the emergency manual override key the same as your department's KnoxBox Rapid Access Program Master Key, please complete the following.

Please type or print the following information:

PS Code (If Known)				
Department Name				
Street Address				
Mailing Address			Phone	
City			Fax	
County	State	Zip	Email	
<input type="checkbox"/> Yes, I would like our department's MedVault emergency override key to be keyed the same as our KnoxBox Rapid Access System's Master Key				
Print Name and Title		Authorized Signature		Date

Upon completion, present form to your Knox Account Manager or submit this form via fax, email or mail:
 Fax: 623.687.2296 | Email: info@knoxbox.com | Attn: Records, Knox Company, 1601 W. Deer Valley Rd., Phoenix, AZ 85027
